2026 Season Membership Registration Details

Your application for membership constitutes your agreement that you understand and will comply with the Club Rules. These rules are posted as a PDF file on the Club's website home page: www.rhstc.com

All regular membership fee payments for the 2026 season are due by June 1, 2026; unless payment is being made via the Stripe payment system, in which case, final payment is June 15, 2026.

Rolling Hills Swim and Tennis Club, or the "Club", is a non-profit non-charitable social club, operated by its members on a strictly volunteer basis. The members elect a board of volunteers from the membership, which then employs staff predominantly to provide for the operational aspects of the pool and tennis courts. This staff typically includes a Club Manager, assistant managers, as needed, coaches for swimming and tennis, lifeguards, and concession stand attendants.

Club fees are established on an annual basis by the Board and may be adjusted at any time. These fees and any special discounts are at the discretion of the Board, both as offered to the general membership and on an individual membership basis. Individual concerns with fees are addressed by the entire Board at regular meetings. A common question is whether tax is due on Club membership fees. Although we are non-profit, we are not charitable, so we do pay sales tax on membership fees, and fees or other donations to the Club are not tax deductible to the member.

An annual maintenance fee was voted into effect at the All Member Meeting in 2018: \$50 per Family membership and \$25 for Dual and Single memberships.

Membership types:

Family: Members of one family (adult and spouse or domestic partner) and their dependent children living together in one dwelling.

Dual: Two people living under one roof. It can be an adult couple; a parent and a child; two college roommates. Two young people ages 13-17 in the same household may join as a "Dual" membership with a sponsoring "Family" membership. Parental signature required for those 16 and under for liability purposes.

Single: Any one adult person age 18 or older OR a young person age 13 - 17 may join as a "Single" with a sponsoring "Family" membership. Parental signature required for those 16 and under for liability purposes.

Dual Senior: An adult couple, at least 1 of which is over age 60, living in one dwelling.

Single Senior: A single person over the age of 60

Babysitter Pass:

- Allows a non-member babysitter to bring up to 2 member children under the age of 12 to the pool when parents are not attending (\$75 for babysitter). Note: Does not allow non-member "babysitter" to attend on their own, only with children they babysit.
OR
- Allows a member to act as babysitter for up to 2 named non-member children under the age of 12 at the pool when parents are not attending (\$75 per child). Note: The named babysittee children are not members and can only attend with the member registered as their babysitter.
